PUBLIC COMMENT:

On June 20, 2016, the Council adopted a Public Comment Policy based on the State Code. Council meetings are formal and structured and are meant to conduct borough business. Council meetings are not meant to be a continuous dialogue between Council and visitors. No member of the public shall make comments for more than 3 minutes or delegate their time to any other member. All comment shall be limited to matters of public concern, official action or deliberations that come before Council. Presenting comments in the form of questions shall be avoided since the purpose of the Public Comment Period is to receive comments, not to engage in question-and-answer sessions, or to engage in public debate or argument.
